FISCAL YEAR (FY) 2014 NONPROFIT SECURITY GRANT PROGRAM (NSGP) FUNDING OPPORTUNITY ANNOUNCEMENT (FOA) – KEY CHANGES

OVERVIEW INFORMATION

Under the Other Key Dates section, the explanation of the two-step application process has been deleted and replaced with the Period of Performance (POP) dates for the FY 2014 NSGP program.

Note: FY 2014 Opportunity Numbers and Key Dates will be updated accordingly.

FOA EXECUTIVE SUMMARY

The following descriptions were removed from this section:
- Cost Share
- Maintenance of Effort
- Management and Administration
- Indirect Costs
- Opportunity Category

FULL FOA

Section V. Application Review Information and Selection Process-
- The evaluation criteria now includes the verification that the applicant-nonprofit organization is located within a FY 2014 Urban Area Security Initiative (UASI)-eligible urban area.

Section VI. Federal Award Administration Information-
- Tables with financial and programmatic reporting periods and due dates were added
- Guidance on the closeout requirements and extension requests were expanded

Section IV. Funding Restrictions-
- EHP requirements were moved to Other Cost Requirements.

Section III. Eligibility Information-
- The following descriptions were added:
  o Cost Match
  o Maintenance of Effort
  o Pass Through Funding
  o Other Eligibility Requirements (NIMS)

Section VI was renamed Federal Award Administration Information.
