

HOW TO SUBMIT QUARTERLY STATUS REPORTS

THIS GUIDE PROVIDES INSTRUCTIONS ON HOW TO PREPARE AND SUBMIT
QUARTERLY STATUS REPORTS IN SAA.SP

Submitting Quarterly Status Reports (QSRs)

- Subrecipients use SAA.SP to submit QSRs.
- SAA.SP pre-populates the data from the PMP to simplify the reporting process.
- Use the QSR column to create/manage QSRs.

The screenshot displays the SAA.SP interface. At the top, there is a 'Home' button. Below it is a 'Subawards' section with a search bar containing 'Training Subrecipient' and a 'Search' button. To the right of the search bar is a 'Show All Subawards' checkbox. Below the search bar is a table with the following columns: Subrecipient, Title, SubawardID, Amount, Type, Year, POP End, SAA, PMP, and QSR 2019 Q3. The table contains four rows of data. The 'QSR 2019 Q3' column is highlighted with a red border, and each row has a 'Create' link in this column.

Accomplishments and Subaward Updates

Describe any significant activities or progress made on the project this quarter. Also note any delays, changes of scope, or other significant challenges to successful project implementation.

If **no activity** has occurred, explain why and whether this represents a challenge to successful project implementation.

If this is the **final QSR**, provide a description of the project *as it was implemented*, including any accomplishments and shortfalls. Upload a copy or proof of the deliverables (e.g plans, AARs, photos, etc.) in the **Attachments** section of the [Subaward Details](#) page, and complete the [Equipment Purchases](#) form, if applicable.

After Save, you can Delete, Submit, Edit, PDF or Cancel the QSR

Lastly.....

- Submit the QSR to the SAA and receive email confirmation.
- The SAA PM accepts/rejects the QSR with email confirmation.
- Rejected QSRs explain the issues to be addressed before resubmission.
- **DO NOT** use the QSR to make scope or funding changes to the project.
 - Instead, use the notes sections to highlight changes you would like to make
 - Then coordinate with your program manager to update the PMP
- Any changes to the PMP will be reported in the next quarter.
- An archive of previous QSRs are available on the Subaward Details page.
